

PROUDLY SERVING SCHUYLKILL COUNTY SINCE 1917

The original Coney Island Pottsville was established in 1917 on Centre Street in the Downtown district of Pottsville, Pennsylvania. Downtown Pottsville served as the social center and gateway to Schuylkill County's bountiful anthracite coal region. Today's location, on West Market Street, a couple miles up the road, serves our community 24/7 with the same family recipe and the same warm welcome. We owe all of our success, past and future, to our hard working staff and loyal patrons. Thank you, and we hope you enjoy!
